

FOUNDATION

The trustees of the Tampa General Hospital Foundation would like to thank its generous benefactors, friends and volunteers for their support. We are truly grateful for these gifts that enable the Foundation to support the critical programs and services of Tampa General Hospital. It is through these partnerships that we can make a lasting impact on the health care of people in our community.

## 2004-2005 Board of Trustees

### Executive Committee

Mark A. Nouss, Esq. - Chairman  
J. Bryan Guyton - Vice Chairman  
Albert J. Silva - Secretary  
John T. Touchton, Jr. – Treasurer  
Larry C. Carey, M.D. – Member At Large  
Phillip S. Dingle – Member At Large

Circus Big Top Sponsors Erika and Don Wallace with children Alexa and Donnie.

**Mark A. Nouss, Esq.**  
Chairman of the Board

Dear Friends,

The year 2005 was an exciting year for the Tampa General Hospital Foundation as we focused on completion of our first capital campaign.

Through the generosity of our friends and benefactors, the Building on Excellence Capital Campaign exceeded the original \$10 million goal and raised \$10.7 million for the expansion project and other capital needs of the hospital. We received a \$300,000 challenge grant from the prestigious Kresge Foundation.

The profit from our three signature fundraisers, Night at the Circus, *Moments in Time* Gala, and the golf tournament was 40% higher than last year and allowed the Foundation to provide over \$700,000 toward various hospital programs, projects and services. The Foundation was the beneficiary of two wonderful community events: Glitz & Sticks, a casino night fundraiser with the Tampa Bay Lightning, and the Little Everglades Steeplechase. Both events were wonderful and genuinely appreciated. The money raised will benefit hospital programs.

Since it was founded in 1974, the Foundation has remained committed to supporting the advancement of medical excellence in this community. The Foundation continues to serve as an effective fundraiser, with more than 5,500 donors having made contributions to the Foundation during its existence.

The following pages demonstrate the growing support of Tampa General Hospital and the evolution of the Foundation as a substantial source of funding. On behalf of the Foundation Board of Trustees, I wish to thank all of our donors for sharing their good intentions and generosity with Tampa General Hospital — a true crown jewel of this community.

A handwritten signature in black ink, appearing to read 'Mark A. Nouss', with a long, sweeping horizontal line extending to the right.

Mark A. Nouss, Esq.  
Chairman of the Board  
Tampa General Hospital Foundation

## SIGNATURE EVENTS – A GREAT WAY TO GET INVOLVED

Our signature events are a wonderful way to raise funds for the hospital. The continuing community outreach and relationship building that result from these events are as important as the funds raised. Each event adds new friends and supporters and increases awareness of Tampa General Hospital's programs and services.

The TGH Foundation is proud to produce three signature events each year to benefit the programs and services of TGH.

### 14th Annual Night at the Circus

Feld Entertainment's Ringling Brothers and Barnum & Bailey® Circus presented our 14th Annual Night at the Circus at the St. Pete Times Forum on January 6, 2005. The event raised over \$138,000 in net proceeds for the Pediatric Emergency Care Center at TGH. The Don and Erika Wallace Family Foundation once again served as our Big Top Sponsor for the circus.

Toni Hoover, in her second year as circus chair, continued a great tradition of strong leadership for the circus committee. Toni was actively involved in every aspect of planning the circus and motivating her team of committed volunteers. The Night at the Circus is one of the few fundraisers in town that is truly a family event.

### The 2005 *Moments in Time* Gala

Our 8th Annual *Moments in Time* Gala was a huge success. The Grandeur of Ybor took place at the Columbia Restaurant May 20, 2005. The Pre-Gala Patrons' Party was held in the Columbia Centennial Museum.

For the first time, the gala had a title sponsor, SunTrust Bank. We joined our presenting sponsor, the Columbia, in celebrating its 100th anniversary. The event surpassed the Foundation's goal by netting a record \$187,000 for trauma services at TGH.

2005 Gala Chair Mclver Berner and her committee signed up many new sponsors, which in addition to contributing to the financial success of the event, also raised awareness in the community of the trauma services provided at Tampa General.

**SAVE THE DATE:** Celebrate the Gold Rush era on Friday, May 12, 2006 at the *Moments in Time* Gala

### 7th Annual Golf Tournament

In its seventh year, this exclusive event surpassed the Foundation's goal by netting over \$170,000. Held on October 24, 2005 at Old Memorial Golf Club, 73 golfers braved the elements and played only hours after a tropical storm rolled through town.

This year's tournament benefited the Tampa General Hospital Foundation's Fund for the Future. This special fund helps the hospital deliver exceptional care every day. From purchasing the most advanced medical equipment to providing continuing education for nursing, the use of this fund helps enhance the outstanding level of care our community has come to expect from Tampa General Hospital.

Additionally, a portion of the proceeds benefited MORE HEALTH, Inc., Tampa General's health education and injury prevention program, which provides a variety of health lessons to more than 120,000 students in Hillsborough County public and private schools.

The returning event Co-Chairs, Joe Taggart and Al Silva, provided exceptional support to the planning committee. Their professional contributions are key to the tournament's success, along with our auctioneer extraordinaire, Gary Koch.

**SAVE THE DATE:** The 8th Annual Golf Tournament will be held Monday, October 30, 2006 at Old Memorial Golf Club

Circus Chair Toni Hoover and her husband Vin at the 2005 Night at the Circus.

**During the summer White Coat Program, USF Provost Dr. Renu Khator shadowed Dr. Harry vanLoveren.**

## OTHER ANNUAL EVENTS INCLUDE:

### 2005 Annual Dinner

The Foundation celebrated another successful year at our Annual Dinner held on October 6, 2005 at Palma Ceia Golf and Country Club. CapTrust financial advisors served as the Dinner Sponsor. Tampa Bay Buccaneer Shelton Quarles, who served as the honorary chair for the community phase of the Building on Excellence Campaign, was the keynote speaker. He inspired those in attendance to not only provide financial support but to also provide their physical support.

Mclver Berner was presented with The James M. "Red" McEwen Award. This award, named after a TGH Foundation founder, is presented each year to a person or persons whose efforts, good works, and service have contributed significantly to the betterment of Tampa General Hospital. Mclver's support of the hospital began in 2000 when she started volunteering on the circus committee. Since then she has worked on the golf committee, chaired the gala, and serves on the Foundation Board of Trustees. "When she talks to you about Tampa General, it's easy to see that she does it from her heart," said Foundation Chairman Mark Nouss.

Heidi Myers was the recipient of this year's Madeleine P. Gibbons Humanitarian Award for embodying the "spirit, enthusiasm, and commitment of Mrs. Gibbons," a charter member of the TGH Auxiliary. Heidi joined the Auxiliary in 1993 and currently volunteers at the main lobby information desk while also serving as the auxiliary treasurer.

**SAVE THE DATE: Thursday, October 12, 2006,  
2006 Annual Dinner at Palma Ceia Golf  
and Country Club**

### White Coat Mini-Internship Program

TGH's White Coat Mini-Internship Program allows community and business leaders to experience a major teaching hospital from an insider's point of view. Each intern is paired with a Tampa General physician for an entire day. Nothing is prearranged or "sugar coated." The intern accompanies the physician everywhere – on rounds, in patient consultations, and even in the operating room. Our goal is to give the interns a real day-in-the-life of a physician – the intensity, the drama and the complexity. It is an opportunity to demonstrate the expertise of our physicians and staff, and also their humanity.

The White Coat Program was held three times in 2005 with a record forty-six interns completing the program. One hundred ninety-seven interns have completed the program since its inception at the hospital in the spring of 2000. The value of this program can be demonstrated by this quote from a participant in the fall program: "As a former patient seven years ago, I considered the hospital to be 'good' but not 'great.' I now consider TGH to be a remarkable and outstanding hospital. I would only consider TGH for myself and loved ones due to the knowledge, commitment and skills of the physicians and staff as well as cutting-edge technology."

## James W. Warren, III

Tampa General is fortunate to have many committed and dedicated volunteers who provide their time and leadership in addition to their financial support.

Jim Warren has been a loyal supporter of TGH for years. He was first elected to the Foundation Board of Trustees in 1993, and served as chair from 1999 through 2002. He now serves as the vice chair of the Florida Health Sciences Center Inc. Board of Directors.

When the idea of conducting a capital campaign for the hospital's multi-million dollar expansion project was presented, Jim led the Foundation through the feasibility study and then stepped up to serve as co-chair. This was not an "honorary" position; it was more of a second full-time job for him. He was instrumental in securing the three million-dollar gifts for the campaign as well as the Kresge Challenge Grant.

In addition to the capital campaign, Jim supports the gala, golf tournament and the circus. When it comes to the circus, it's a family affair for the Warrens. Jim's wife Samantha is a past chair of the circus.

In recognition of Jim's role in repositioning the Foundation as a significant contributor to the improvement of TGH programs and services, he was awarded the James M. "Red" McEwen Award in 2002 and was made a trustee emeritus of the Foundation in 2005.

Jim is senior vice president – wealth management for Smith Barney. In addition to his position on the hospital board, he is a director of the New York Yankees Tampa Foundation and has also held numerous positions in various civic, social and professional organizations.

## Stella Ferguson Thayer

When it came time to enlist someone to serve as his co-chair for the Building on Excellence Capital Campaign, Jim Warren turned to another longtime TGH supporter, Stella Thayer. Stella's work on behalf of the hospital dates back to the early 1980's when she served as chairman and member of the Hillsborough County Hospital Authority Board, which at the time was the hospital's governing board.

One of Stella's first actions as co-chair was to make a million-dollar commitment to the campaign. At the time, it was the largest gift the Foundation had ever received and truly marked a milestone in the Foundation's history. This gift by Stella and her husband Bronson led the way for the Foundation to receive two additional million-dollar gifts as part of the campaign.

This was not the Thayer's first substantial financial commitment to the Foundation. They are founding members of the Gordon Keller Society, a special giving society for people who have made gifts of \$100,000 or more to the Foundation.

However, Stella gives more than just her financial support to the hospital. She served as the chair of the Foundation Board of Trustees in 2002 and again in 2003, and remains a member of the board. She played a key role in the selection of the Foundation as a beneficiary of the Little Everglades Steeplechase.

In 1985, Stella's significant contributions to the hospital earned her the James M. "Red" McEwen Award. This is one of many awards that have been bestowed upon her in our community.

Stella is an attorney and shareholder in the Macfarlane, Ferguson & McMullen firm. She is president and director of Tampa Bay Downs, a thoroughbred racetrack.

**New trustee emeritus and Building on Excellence Campaign Co-Chair Jim Warren and his wife Samantha enjoying the Annual Dinner.**

**Stella Ferguson Thayer, Co-Chair Building on Excellence Capital Campaign.**

Foundation Chairman Mark Nouss and Executive Director Robin DeLaVergne present flowers to nursing scholarship graduate Lynsey Lasotta Kocet and her mentor, Tania Pike.

Expansion project: Walkways on the fifth and sixth floors and on the roof extend over the building's open courtyard. Located on the fourth floor, the courtyard will provide a quiet place of reflection for patients and visitors.

Building on Excellence Co-Chairs Stella Ferguson Thayer and Jim Warren

### Nursing Scholarships

The TGH Foundation continued the successful Nursing Scholarship Award in 2005.

This year's recipients, Heather Harpe, Valerie Jones and Cynthia Davis, each received three-year scholarships. With the Foundation nursing scholarship, each student will work 16 hours per week at TGH while receiving pay and benefits for 40 hours per week. Coupled with Tampa General's Tuition Assistance Plan, which covers recipients' educational costs, the fund provides employees with a steady income and the ability to dedicate precious time to their education. Since its inception, the Foundation has invested over \$185,000 in the Nursing Scholarship Program.

In 2005, we had our first two graduates from the program, Kellie Singletary and Lynsey Lasotta Kocet. The Foundation recognizes not only their accomplishment, but also that of their mentors, Sara Thrower and Tania Pike.

### Building on Excellence Campaign

Due in large part to the tremendous leadership and support from former Foundation Board Chairmen Stella Ferguson Thayer and James W. Warren, III, the Building on Excellence Campaign surpassed its \$10 million goal by raising \$10.7 million to complete Tampa General's first ever multi-million dollar campaign. Achieving such a lofty goal would not have been possible without the unprecedented generosity of **Stella Ferguson Thayer**, the **John H. Sykes Foundation** and the **Don & Erika Wallace Family Foundation** - each contributed one-million dollars to this historic effort.

Though these three gifts represent the largest individual contributions to the Building on Excellence Campaign, the campaign required the dedication and generosity of hundreds of our friends to achieve our goal. Administrators, doctors, nurses, staff members, community donors, volunteers and grateful patients can all share in the satisfaction of our success. It was this community support that convinced the Kresge Foundation to award us a \$300,000 Challenge Grant.

As the expansion begins to take shape, we want to take this opportunity to thank those who support our efforts.

# Facts about Tampa General Hospital (TGH)

## REGIONAL TRAUMA CENTER

Tampa General Hospital is the only Level I Trauma Center in West Central Florida, providing emergency treatment to adults and children with critical injuries and acute illnesses. Our trauma program has received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

This Level I rating means that a designated trauma team is in the hospital 24 hours a day, ready to respond to the most serious injuries. An adult trauma room, a pediatric trauma room, and a dedicated trauma operating room are available 24 hours a day.

## REGIONAL AEROMEDICAL TRANSPORT PROGRAM

Three aeromedical helicopters, equipped with the most advanced life support equipment, transport critically ill or injured patients from 23 surrounding counties.

## REGIONAL BURN CENTER

TGH is one of just four burn centers in Florida. It is the only burn center in the state that has earned Verification by the American Burn Association/American College of Surgeons. This distinction means the center has met stringent guidelines for patient care procedures, facilities and staffing. This self-contained unit treats critically burned patients from initial emergency admission through reconstructive surgery and follow-up care. Only 44 of the country's 129 burn centers have received the honor of Verification status. Our burn program has received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

## TRANSPLANTATION PROGRAM

TGH is one of the busiest organ transplantation centers in the nation and the only hospital in West Central Florida performing adult heart, lung, kidney, liver and pancreas transplants. In addition, pediatric kidney transplants are also performed at TGH.

From October 1, 2004 through September 30, 2005, Tampa General Hospital transplanted 59 hearts, 13 lungs, 203 adult kidneys, five pediatric kidneys, 19 kidney/pancreas, 73 livers, three liver/kidney and four pancreas.

TGH is one of 12 centers in the nation to have performed more than 500 heart transplants and in 1985 performed the first successful heart transplant in Florida. Our heart and liver transplant programs have received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

## NEONATAL INTENSIVE CARE UNIT

As a Level III Neonatal Intensive Care Unit (NICU), TGH provides the most advanced treatment for critically ill newborns, including ECMO, a lifesaving breathing treatment available at only six hospitals in Florida. Our Level III status is the highest rating available.

## CENTER FOR BLOODLESS MEDICINE & SURGERY

This program is designed to provide state-of-the-art medical care for patients who choose not to accept blood transfusions or blood products. Bloodless care can be applied to nearly every medical and surgical specialty.

## CARDIAC SERVICES

TGH provides a complete range of non-invasive, invasive, surgical, diagnostic and rehabilitative cardiac services. Aspects of cardiac care include echocardiography, angiography, interventional cardiology, electrophysiology procedures including ablations, heart failure management, heart transplantation and cardiac rehabilitation. TGH routinely performs cardiac surgical procedures and has six operating rooms dedicated to cardiac surgery. TGH provides treatment of coronary artery and bypass graft blockages using balloon angioplasty, intracoronary stenting, and other modalities. Biventricular pacemakers and ventricular assist devices (VAD) are also implanted here. Tampa General Hospital is the fourth busiest cardiac transplant center in the nation.

## REHABILITATION SERVICES

Specialized therapy for patients of all ages with head and spinal cord injuries, stroke, amputations and other neuromuscular disorders is available at TGH.

TGH is a state-designated spinal cord and head injury center and is accredited by the Commission on Accreditation of Rehabilitation Facilities.

**CHEST PAIN AND STROKE CENTER** Patients with symptoms of heart attack or stroke (brain attack) are taken directly to the Chest Pain and Stroke Center in our Emergency Care Center.

Diagnostic procedures begin immediately and, when indicated, treatment is administered to halt the attack's progress.

This specialized focus substantially reduces the time in which patients are diagnosed and treated compared to facilities without chest pain and stroke centers. Our stroke program has received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

### CHILDBIRTH CENTER

Prenatal education classes, well baby care, and high-risk obstetrical services are available. Free infant car seats are given to all new mothers at discharge.

### CHILDREN'S MEDICAL CENTER

Special services include a nine-bed pediatric intensive care unit, pediatric surgery, pediatric dialysis, pediatric rehabilitation and certified child life specialists.

With its own playroom and school, this unit was designed just for kids.

A Ronald McDonald House is on the TGH campus to serve families of our pediatric patients.

### DIGESTIVE DISORDERS CENTER

TGH is a referral center for routine and complex disorders of the digestive system. More than 1,000 weight loss surgeries have been performed at Tampa General Hospital since 1998. Our surgical digestive disorders and gastro-intestinal cancers program as well as bariatric services have received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

### INFECTIOUS DISEASE SERVICES

In addition to providing state-of-the-art patient care, this service provides specialized training, consultation and continuing education in infectious disease care for health professionals. Topics address problems arising from bio-terrorism, emerging pathogens, and bacterial resistance.

### NEUROSCIENCES SERVICES

TGH provides a full range of neurosurgical services, including: cerebrovascular surgery, surgical epilepsy treatment, spine and spinal cord surgery, and brain tumor surgery. Services also include diagnosis and treatment of patients with neurological injuries and impairments, including stroke, epilepsy and movement disorders such as Parkinson's and Huntington's diseases. Our epilepsy program has received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

### SLEEP DISORDERS CENTER

Tampa General Hospital's Sleep Disorders Center is the first in the country to have received both accreditation by the American Academies of Sleep Medicine (AASM) and disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

This center provides evaluation and follow-up care for children and adults with a variety of sleep-related disorders such as sleep apnea, narcolepsy, and insomnia.

### ORTHOPEDIC SERVICES

A multidisciplinary team of physicians supported by nurses, physician assistants and physical and occupational therapists provides total replacement of failed joints, including hips, knees, shoulders and elbows. TGH was named to the *U.S. News & World Report* list of America's Best Hospitals 2005 in orthopedics. Our complex orthopedic services and orthopedic joint replacement programs have received disease specific certification from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
