Teen Volunteer Program Expectations

1. **Teen Volunteer Commitment**: Teens are required to provide service a minimum of two service shifts a week for 5 weeks of the program which runs from 6/8/2020 to 7/31/2020. Service shifts are from 9:00 a.m. – Noon or 1:00 p.m. – 4:00 p.m. on Monday, Tuesday, Wednesday, Thursday or Friday. The WHARF Gift Shop has service shifts available from 4:00 – 7:00 p.m. and on the weekends. **Please note that teens who do not complete the minimum service requirement will have it documented on school or verification forms. In addition, the teen will not be invited back as a returning teen in 2021.**

2. **Absences**: Teens are required to email teen_program@tgh.org when they are going to be absent from their scheduled service shift. Failure to provide notification prior to the start of the scheduled service shift may result in removal from the service area. When planning a vacation, please let the Volunteer Services Department and service department know as far in advance as possible. Please note that all teens are responsible for ensuring they meet the minimum service requirements.

2. **Artificial Nails**: Absolutely no artificial nails. This includes wraps, acrylics, tips, tapes or nail jewelry.

3. **Confidential Information**: All information that the teen may hear directly or indirectly concerning patients, doctors or team members is confidential. The teen may not seek to obtain confidential information concerning a patient that they have no reason to obtain in order to perform their duties. A breach of confidentiality includes but is not limited to: any unauthorized disclosure of patient and/or employee information to third parties or gaining access to patient and/or team member records or any other information for any purpose other than necessary for volunteer purposes.

4. **Credit for volunteer hours**: The teen must sign in/out each day they are performing service. There is a sign-in computer in the Volunteer Services office. If the office is closed, the teen will sign in and out in the Afterhours Sign-In/Out book located at the East Pavilion Information Desk (across the hall from McDonald’s). Please print clearly and legibly. If the teen fails to record their hours, we are unable to credit them for service. Badge and meal card must be turned in at the end of the program in order to receive their service hour documentation letter.

5. **Hospital Policies and Procedures**: Teens are required to follow hospital policies and procedures at all times as outlined in hospital orientation, hospital policy, or e-learnings.

6. **Meal Allowance**: A Meal Card will be assigned to each teen volunteer. This card may be used in the cafeteria (not at McDonalds or Starbucks) for $7.50 per day. This may be used for meals or snacks and is good only on the day of service. The meal card must be returned at the end of the program to Volunteer Services.

7. **Parking**: Teens will park in the employee side of the TGH parking garage by using their badge to enter.

8. **Professionalism**: Teens are required to communicate and demonstrate behavior that is professional and mature at all times and accept supervision graciously. Cell phones must be kept out of sight at all times while providing service. Teens observed using profanity, inappropriate gestures, or sleeping while on duty will be immediately sent home, and depending on the infraction, the teen may be removed from the program. Please note that TGH has video cameras all over the hospital.

9. **TGH Badge**: All teens are issued an ID badge, which should be worn in an upright, readable position. They must always be visible, worn on the upper body and on the outer most layer of clothing. The ID badge must be returned at the end of the program to Volunteer Services.

10. **Uniform**: The required teen uniform consists of the TGH teen volunteer polo shirt and khaki pants (or capri/crop pants). Jeans or shorts are not permitted. Teens must wear closed-toe shoes. Flip flops or other open-toed shoes are not permitted. Clothing should be clean, ironed, in good repair, and fit properly. Teens not wearing the appropriate uniform will be sent home.
11. Volunteer Placement: Teens will provide their availability to Volunteer Services and we will make every attempt to accommodate these requests, based on the needs of the departments.

12. Volunteer Service Area: Teens are required to stay within their designated area(s) of service during their scheduled assignment. If the teen leaves their service area for a break, they must notify their point of contact for their service department. If the department is out of tasks, the teen volunteer is to return to Volunteer Services (F129).
