2016 NIGHT AT THE CIRCUS

The Tampa General Hospital (TGH) Foundation’s 25th Annual “Night at the Circus” was a big success! This year’s event was held on January 7, 2016, at Amalie Arena, and the event committee was chaired by Teale Smith and Mary Taggart. Teale and Mary served as vice chairs for the last two years and hit the ground running, exceeding their goal! The committee added new fun elements to the Patrons’ Party. With the help of their dynamic committee, the chairs continued to raise awareness for TGH and the TGH Foundation throughout the community.

Each year $2,500 sponsors and above are invited to attend the Patrons’ Party preceding the circus performance. This year 500 guests feasted on delicious treats while the circus cast, jugglers, balloon twisters and DJ entertained our guests. Whether getting their faces painted like their favorite character or hamming it up in the photo booth, all had a wonderful time. This year’s new “Elephant Trunks” were also on display, thanks to those who sponsored them. Net proceeds of over $235,000 from this year’s event will benefit TGH’s Children’s Medical Center.

The TGH Foundation and Circus sponsors also donated 1,300 tickets to local charities this year so some of those less fortunate would have an opportunity to attend and experience the thrill of the Ringling Bros. and Barnum & Bailey® Circus – The Greatest Show on Earth®.

From the Chair

I am pleased to report to you that the Foundation completed a very successful 2015, and we have you, our donors, to thank for that. In this issue of the FoundationFocus, we highlight donors who made gifts to the Foundation during 2015 starting at $500. Without your ongoing support, we would not be able to purchase equipment for Tampa General Hospital (TGH), provide scholarships or make funds available for research, just to name a few of the ways that the TGH Foundation supports the hospital.

This year, the Annual Night at the Circus celebrated its 25th Anniversary. The Tampa General Hospital Foundation is very fortunate to have a strong partnership with Feld Entertainment. Since its inception, this special event has raised over $1 million for the TGH Children’s Medical Center. Our co-chairs Teale Smith and Mary Taggart and their committee made sure that all of the children and adults experienced a very special evening. Also thanks to our ticket coordinator, McIver Berner Grím, who made sure tickets found the way to over 1,300 deserving children from local nonprofits. A big thank you goes to our sponsors sure tickets found the way to over 1,300 deserving children.

Humphrey, our Three Ring Sponsor, Tampa Bay Steel, our Entertainment Sponsor, and the Lightning Foundation, our Patrons’ Party Sponsor again this year. The TGH Foundation will host its 19th Annual Gala on Saturday, May 14, 2016, at the Tampa Convention Center. This year’s guests will be invited to channel their inner superheroes and experience A Night to Marvel — Celebrating the Superheroes of Health Care. Those attending will have an opportunity to experience great entertainment, a live auction, plated dinner, open bar and many other exciting activities. Dianne and Mickey Jacob are chairing this year’s gala, and Pam and Les Muma are our Honorary Chairs. Ali St. Syr and Jack Watters are chairing the After Party. Thank you also to everyone who either made a donation to or brought gifts for Operation Santa. Those gifts made Christmas special for our smallest patients who had to spend time away from home over the holidays.

In this newsletter you will find an update on our mini-campaign to raise funds for the Integrative Arts in Medicine Program. I hope that you will consider a gift to support this special program.

Doug Dieck
Chair, Tampa General Hospital Foundation Board of Trustees

19th Annual Gala
Saturday, May 14, 2016
The theme for the 2016 Tampa General Hospital Foundation Gala is “A Night to Marvel — Celebrating the Superheroes of Health Care.” This year’s event will be held on Saturday, May 14, 2016, at the Tampa Convention Center and will be chaired by Dianne and Mickey Jacob. Pam and Les Muma will be honorary chairs. The Gala benefits TGH’s Children’s Medical Center. Skanska returns as our Presenting Sponsor and our Media Sponsor is the Tampa Bay Times.

42nd Annual Dinner
Thursday, October 6, 2016
The TGH Foundation’s Annual Dinner will be held on Thursday, October 6, 2016, at Palma Ceia Golf and Country Club. The Bank of Tampa has agreed to return as our Dinner Sponsor for the 10th year! During the dinner, our Foundation Chairman will give his report on the accomplishments and activities of the past year and Chairman of the Florida Health Sciences Center Board of Directors will give the hospital report. The recipient of the prestigious James M. “Red” McEwen will also be announced. Last year’s award winner was the Tampa Bay Rays.

18th Annual Golf Tournament
Monday, October 24, 2016
Danny Jackson and new co-chair Brandon Day of Microlumen, are excited to head up the 18th Annual Golf Tournament committee as we return to Old Memorial. We are honored to welcome back for the 11th year The Yerid Foundation as our Tournament Sponsor. The goal of this event is to raise awareness about TGH’s many programs and services. Proceeds will benefit TGH’s Fund for the Future.

19TH ANNUAL GALA

PLEASE JOIN US!
It’s a bird...it’s a plane...it’s Tampa General Hospital Foundation’s 19th Annual Gala on May 14, 2016, at the Tampa Convention Center! The evening’s festivities will kick off at 7:30 p.m. Sponsors at the Batman & Robin level and above are invited to our exclusive Pre-Gala Heroes’ Party at 6:30 p.m.

Grab your cape and join us for “A Night to Marvel: Celebrating the Superheroes of Health Care.” Take a break from fighting crime to eat like a hero and dance the night away! Guests can grab a glass of champagne and win a 1 carat diamond from Continental Wholesale Diamonds or have their superhero caricature drawn. Test your super powers in our arcade, or go for the jackpot and enter our infamous Chance Drawing Contest, where you could take home $10,000.

The Gala benefits the Tampa General Hospital Children’s Medical Center (CMC). The CMC is designed specifically for pediatric patients and their families. Your generous contributions help our dedicated team of health care professionals care for children and provide a comprehensive range of medical, surgical and rehabilitative services for infants, children and adolescents.

To purchase both Gala and Chance Drawing tickets, call (813) 844-7262.

CALL (813) 844-7262 FOR MORE INFORMATION.

2016 Elephant Trunk Sponsors

Sponsors purchased their “trunk” from the Tampa General Hospital Foundation and then filled it from a list of suggested items needed by the Child Life Specialists at the TGH Children’s Medical Center.

Sponsors were encouraged to decorate their trunk with a favorite theme, company logos and fun color schemes. This year’s Elephant Trunks were displayed at the Patrons’ Party at our Night at the Circus event, and then personally delivered by the sponsors to TGH’s Children’s Medical Center.

Elephant Trunks are only $300 (plus cost of items); don’t miss your chance next year!

Operation Santa Brings Many Smiles to TGH Pediatric Patients

The Tampa General Hospital Foundation sends a big thank you to the generous donors who helped make the holidays a little brighter at TGH by supporting Operation Santa! Over the holiday season, Operation Santa raised nearly $20,000 to benefit TGH’s Children’s Medical Center. In addition, many companies, organizations and individuals came to visit the Children’s Medical Center bearing gifts valued at $15,000.

Donations designated to Operation Santa make it possible for these little ones and their families to enjoy a birthday and other holiday “celebrations” throughout the year, even from unfamiliar, and sometimes unsettling, hospital beds. From fulfilling Christmas wish lists, to Easter baskets, 4th of July celebrations and candles on a cake on that one special day, all who participate in Operation Santa bring joy to some of the very sickest of our pediatric patients!

On behalf of the sick children who may be spending birthdays, Christmas or other special family holidays as patients at TGH’s Children’s Medical Center, we want to thank all of the generous donors for participating in this year’s Operation Santa!

Kayla Cares visits

Pam Sanders, vice president of Women’s and Children’s Services, hugs Kayla Abramowitz, 13, while her parents and brothers donated an Xbox, games, books, DVD movies and puzzles to the Children’s Medical Center last week. After several extended hospital stays, Kayla created a nonprofit organization to donate entertainment and education items to children’s hospitals and Ronald McDonald House locations across the country. To date, she has donated about 10,000 items to over 80 locations in all 50 states. For more information, visit www.kaylacares4kids.org. Pictured, from left, are patient Shane Kaufman, Child Life specialist Kirsten Hunt, Pam Sanders, Ethan Abramowitz, mother Andrea Abramowitz, Ben Abramowitz and father Michael Abramowitz.
Ringling Visit

The Ringling Brothers and Barnum & Bailey Legends show visited children and patients at TGH, donating $10,000 to the TGH Foundation for the pediatric cancer program.

Clown DJ Weiss, left, and ringmaster Jonathan Lee Iverson pose for a photo with patient care technician Migdalia Keller and clown Mariko Iwasa, right, as a portion of the Ringling Brothers and Barnum & Bailey Legends show visited children and patients at TGH.

TGH’s Children’s Medical Center patient Adriana Santos, 14, has her photo taken with patient care technician Migdalia Keller and clown Mariko Iwasa, right, as a portion of the Ringling Brothers and Barnum & Bailey Legends show visited children and patients at TGH.

TGH’s Children’s Medical Center patients Hannah Figueroa, 16, left, and Adriana Santos, 14, joke around with rehabilitation technician Daniel Caldas as they try on clown noses as a portion of the Ringling Brothers and Barnum & Bailey Legends show visited children and patients at TGH.

Craig A. Moran Joins the Foundation as Director of Development and Major Gifts

Craig Moran has recently joined the staff of the Tampa General Hospital Foundation as the Director of Development and Major Gifts. His concentration will be on the major gifts and planned giving programs. Craig brings more than 19 years of experience in fundraising and nonprofit management.

Craig’s professional fundraising experience includes Jupiter Medical Foundation, Bon Secours Richmond Healthcare Foundation and Goettler Associates Inc. (a fundraising consulting firm serving nonprofit organizations nationwide). “My wife Diane and I are thrilled to return to the Tampa Bay area to live and work within its geographic beauty, extraordinary cultural character, excellent health care facilities and strong economic growth,” he said.

For more information on giving opportunities or planned giving please visit https://www.tgh.org/foundation_donor.htm. Craig can be contacted at cmoran@tgh.org or (813) 844-7560.

Tampa General Hospital Wins Consumer Choice Award For 10 Straight Years

For the 10th straight year, TGH was named the Consumer Choice winner by National Research Corporation. The annual award identifies hospitals across the United States that health care consumers choose as having the highest quality, best reputation and best doctors and nurses.

TGH is the only hospital in the Tampa-St. Petersburg-Clearwater market, one of just 19 in the state, to receive this recognition. The winning hospitals were listed in the Oct. 12, 2015 issue of Modern Healthcare.

“We feel privileged to be the top choice of patients and their families for the past decade,” said Jim Burkhart, president and CEO. “Our physicians, nurses, employees and volunteers are committed to providing the best possible experience for our patients every day.”

“For each of the past 20 years, winning hospitals have provided outstanding experiences that have transcended their four walls to build consumer preference, loyalty and trust in their markets. We are honored to congratulate this year’s winners on a job well done,” said Brian Wynne, vice president of Business Development at National Research.

Winners are determined by consumer perceptions on multiple quality and image ratings collected in the company’s Market Insights survey, the largest online consumer health care survey in the country.

National Research surveys more than 300,000 households in the contiguous 48 states and the District of Columbia. Hospitals named by consumers are analyzed and ranked based on Core Based Statistical Areas defined by the U.S. Census Bureau, with winning facilities being ranked the highest. A complete list of winners can be found at nationalresearch.com/ConsumerChoice.

Craig Moran has recently joined the staff of the Tampa General Hospital Foundation as the Director of Development and Major Gifts. His concentration will be on the major gifts and planned giving programs. Craig brings more than 19 years of experience in fundraising and nonprofit management.

Craig earned a bachelor’s degree in international relations and area studies from Eckerd College in St. Petersburg, Florida. Craig served for 22 years in the U.S. Army/National Guard as an Infantry Officer. After a successful tour in Afghanistan, he retired in 2005 from the Florida Army National Guard. Craig’s professional fundraising experience includes Jupiter Medical Foundation, Bon Secours Richmond Healthcare Foundation and Goettler Associates Inc. (a fundraising consulting firm serving nonprofit organizations nationwide). “My wife Diane and I are thrilled to return to the Tampa Bay area to live and work within its geographic beauty, extraordinary cultural character, excellent health care facilities and strong economic growth,” he said.

For more information on giving opportunities or planned giving please visit https://www.tgh.org/foundation_donor.htm. Craig can be contacted at cmoran@tgh.org or (813) 844-7560.

In 2004, Tampa General Hospital identified the need to establish an Integrative Arts in Medicine Program. Ten years later, the program, under the leadership of Dr. Scheila Chokshi, continues to grow, and more physicians are referring their patients for treatment by the practitioners who seek to empower patients with self-care techniques like gentle touch, music, movement and art therapies. The TGH Foundation is in the middle of a mini-campaign to raise money for the trained artists and therapists who provide services through the program, chaired by Dick and Francine Dobkin. This program has benefitted thousands of patients and is offered to patients at no additional cost and is not reimbursed by insurance. Costs to provide the program at TGH are fully funded through philanthropic dollars. The focus of the mini-campaign is to secure private contributions to support and sustain this program.

On January 14, 2016, the Dobkins hosted a reception to introduce the program to potential donors, Dr. Scheila Chokshi, Physician Leader, Integrative Healthcare at TGH, and her team discussed available treatments, techniques and sessions provided to adults and children who are inpatients at TGH. Dr. Chokshi stated, “It has been my life’s dream to incorporate an Integrative Arts in Medicine Program into mainstream medical care to bring patient and practitioner together in a dynamic partnership dedicated to optimizing the patient’s health and healing. Our program at Tampa General Hospital does just that and focuses on the whole person, recognizing the subtle interactions of mind, body, spirit and emotion. This approach has had a direct impact on the vitality and well-being of those adults and children who have served and continue to serve.”

Dr. Chokshi and her staff shared touching stories about patients who benefited from the Integrative Arts in Medicine Program and Mr. Larry Higgins, a guest at the reception, spoke to the group about how the program had helped him in making an impressive recovery from serious injuries and illnesses.

Program Testimonials

“Integrative Medicine Therapies were able to quiet me, and once my mind could rest, my body was able to accept treatment and heal.”  
TGH Physician

“My son was in a better mood after visiting the Peace Room … to see him feel better made me feel better.”  
Family Member

“The therapy was soothing, comforting, got rid of my anxiety, and relieved physical pain.”  
Former Patients of the TGH Integrative Arts in Medicine Program

To learn more about this program or to get involved, contact Craig Moran, Director of Development and Major Gifts. He can be reached at 813-844-7560 or cmoran@tgh.org.

Hospital Earns Highest Designation for its Senior Care

Tampa General Hospital is the only hospital in Hillsborough County — and one of only five in Florida — to earn exemplar status for its comprehensive care of older adults from the Nurses Improving Care for Healthsystem Elders (NICHE) organization. NICHE, based at NYU College of Nursing, is the leading nurse-driven program dedicated to helping hospitals improve the care of older adults. The exemplar status — the highest of four program levels — was granted after a rigorous evaluation of the current and future goals of the hospital’s NICHE program for older patients, defined as those who are 65 years old or older.

The hospital has focused on encouraging nurses to become trained Geriatric Resource Nurses (GRNs). To earn the GRN designation, nurses must complete a number of requirements, including NICHE’s online curriculum and participation in the hospital’s Geriatric Resource Nurse Committee.

Nurses who earn the GRN designation have the knowledge and experience to care for older patients, said Robin Atkins, the hospital’s NICHE coordinator. They are able to identify and understand geriatric syndromes and share the most current knowledge in caring for older patients with their units’ staff, she said.

Having a NICHE program shows there is an organizational commitment to improving quality, enhancing the patient and family experience and supporting the hospital’s efforts to serve older adults, Atkins said.

“Integrative Medicine offers … improvement in patients’ response to both disease and surgery … personal and spiritual strength to augment the benefit of traditional medicine.”

TGH Physician

“Device that help weakened hearts more efficiently push blood to the rest of the body.”

Dr. Steven Figueroa, Felice Rogers Evans and Bill Gross.

Transplant Teams Perform Record Number Of Surgeries

Tampa General Hospital’s Transplant Program had a banner year in 2015. Transplant surgeons completed 434 organ transplants, resulting in a 23 percent increase in transplant patient volume compared to 2014. The kidney transplant team alone performed 242 transplants in 2015, the highest number since the hospital’s program launched 40 years ago. Surgeons also set another record by performing 80 Ventricular Assist Device (VAD) implants last year, which was more than a 50 percent increase in patient volume from the previous year. VADs are mechanical devices that help weakened hearts more efficiently push blood to the rest of the body.

“...increasing the number of transplants benefits the recipients who gain a new lease on life and the next patients on the waiting list because their wait will likely now be shorter, she explained.

“I am incredibly proud of our teams who always come together to do whatever is needed to make these gifts of life possible,” she said.

The TGH Foundation raised money to renovate two homes near the hospital, turning them into Transplant Houses for our patients and families from out of town.

Outback Bowl Players Visit Patients

Shane Kaufman, 10, tosses a mini football as members of the Tennessee Volunteers and Northwestern Wildcats visit patients in TGH’s Children’s Medical Center.

Members of the Northwestern Wildcats, from left: Inesuadion Anthony Walker, quarterback Clayton Thorson and running back Justin Jackson talk to patient Josephine Shock during the visit.
For the fourth consecutive year, Tampa General Hospital was named one of the nation’s “100 Hospitals With Great Orthopedic Programs” by Becker’s Hospital Review, a leading national hospital publication. TGH is the only hospital on Florida’s west coast — and one of only five in the state — included on this year’s list.

Selected hospitals received recognition for excellence from various reputable organizations in orthopedic areas like joint replacements, orthopedic surgeries and general orthopedic care. The publication’s editorial team examined several ranking and award agencies, including the U.S. News & World Report national and regional rankings for orthopedics, U.S. News’ common care ratings for hip and knee replacement, CareChex rankings for orthopedic care and major orthopedic surgery, Blue Distinction Centers for Knee and Hip Replacement, Healthgrades orthopedic awards and Magnet designation for nursing excellence.

The publication noted that TGH has consistently been named by U.S. News & World Report as one of the best hospitals in the nation for orthopedics and was high performing in knee replacement in this year’s common care ratings. It also listed the hospital’s 34-bed orthopedic trauma unit and knee, hip and shoulder replacement programs that are certified by the Joint Commission, our Magnet designation for nursing excellence and our multidisciplinary approach to providing comprehensive orthopedic care.

Becker’s Hospital Review features business and legal news and analysis relating to hospitals and health systems and is geared toward hospital leaders.

The Tampa General Hospital Foundation wants to stay connected with you! Join us on Facebook for highlights on those people, places and things that make Tampa General Hospital special. To follow us on Facebook, click the “like” button on the Tampa General Hospital Foundation Facebook page, where you’ll learn more about TGH, the Foundation’s events, patient stories and more! https://www.facebook.com/TampaGeneralHospitalFoundation

www.tgh.org/foundation.htm

FoundationFocus is the quarterly newsletter published by the Tampa General Hospital Foundation, 1 Tampa General Circle, Room H-149, Tampa, FL 33606. Additional copies may be obtained by calling (813) 844-3528. The Foundation’s mission is to support and promote the programs and services of Tampa General Hospital. Tampa General Hospital is committed to serving all residents of West Central Florida. We provide comprehensive health services, ranging from wellness and primary care to the most complex specialty care and post-acute services. Our care reflects a patient-centered approach, and our services are delivered in an exceptional manner — with benchmark performance in clinical outcomes, care processes, cost-effectiveness and patient experience. With our unique blend of academic and other healthcare partners, we play a special role in supporting medical education and research in our region.
